**Tennessee PGA Invites Families to Enjoy the Game of Golf Together**

FRANKLIN, TN – The Tennessee PGA (TPGA) invites families to the Little Course at Golf House Tennessee on 400 Franklin Road on Sundays in the month of August. Families of all ages and ability levels are invited to a kick-off event to participate in golf lessons and instruction, clinics, and games for prizes courtesy of the TPGA on Sunday, August 7<sup>th</sup> from 4-7pm. Pepsi drinks and food are also provided for families that participate in the activities. In an effort to encourage families to spend time together on the golf course, The Little Course will reserve starting times between 4-6pm every other Sunday in August. These tee times will be available for family play only.

The Junior Committee of the TPGA led by PGA Professional Jeff Craig of Windstone Golf Club developed the concept of Family Golf Day. The concept of Family Golf Day is for golf facilities to block off time on Sunday afternoons for families to come out and play together or get an introduction to the game of golf. The TPGA believes golf is a sport the entire family can enjoy and participate in for many years. The Little Course is the first facility to test the concept of Family Golf Day and its success, with hopes the concept will spread to facilities throughout the state of Tennessee in the future.
