

PING®

REWARDS

To promote more involvement by our members and apprentices in TPGA activities we are pleased to introduce the **PING Rewards** Program. Members and Apprentices who participate in Section Tournaments, Section Meetings, Chapter Meetings and other functions that benefit the growth and development of the PGA Professional will receive **PING Reward** Points. The points will be earned throughout the year with the last event being the Pro-Pro Championship to determine the most active members and apprentices in selected activities. The top 36 **PING Rewards** recipients will then be invited to an appreciation day on Friday, October 22, 2010 hosted by PING Golf at Golf House Tennessee.

The **PING Rewards** appreciation day will feature a day of camaraderie, golf, food, drinks, and prizes. Attendees will be welcomed by Section Staff and PING representatives then treated to lunch as we highlight the year. After lunch attendees will head to the Little Course (9 hole par 3 course) for the Closest to the Hole Challenge. Each hole will offer a closest to the hole challenge and cash prizes of \$500 (\$4,500 total for all 9 holes). The professional who records the low 9 hole score will also be awarded a separate \$500 prize.

Please review the Tennessee Section PGA events that will earn you points.
